28/05/2022

Dear Parent,

Greetings from TVIS!

We are happy to announce that beginning this year, The Village International will be partnering with ALLEN Coaching Institute in Kota to prepare our students for various competitive exams from grade 6 onwards. We are so glad to introduce a premier coaching institute in India for our students. We are sure that our students will surely benefit from their coaching. ALLEN is famous for JEE(Main Advanced), Pre-Medical (NEET-UG) and also Career Foundation(Class VI to X, NTSE & Olympiads).

Career education is at a golden age. We need to connect this generation's drive and intelligence to 21st century academic skills that are both constructive and focused. We need to put a little more effort into content-wise and coaching tactics to develop academic skills. Rather than being distracted, we might use an Academic Assistance Program for Career Foundation to keep our children engaged in academic activities. After the pandemic children are facing great difficulties and ALLEN is here with their master plans to build an amazing career for students. We have a great responsibility to make our children preoccupied so that they can face the toughest situations in their life.

Here we would like to introduce **THE KASHI OF EDUCATION – KOTA@TVIS**.
