

Dear proud parents of the Village family,

Model United Nations is an academic simulation of the United Nations where students play the role of delegates of different countries and attempt to raise and solve real world issues with the policies and perspectives of their assigned country. This will be a valuable experience for our students to know about the world around us and become great leaders in future.

La Martiniere College Lucknow has extended their invitation for the LMUN only to TVIS students from Kerala to participate in it. It will be held from November 18 to 20, 2022. La Martiniere College is a school established in 1845 and was founded in accordance with the Will of Major General Claude Martin who was Born in Lyon, France in 1735. The college consists of a magnificent eighteenth-century building, to which other imposing structures have been periodically added. The college reached the milestone of 175 years on 1st October, 2020.

I personally recommend this exposure to our students as it would be a great learning opportunity. MUN at La Martiniere College Lucknow will be a golden chance for our students to get exposed to current affairs, international events and United Nations agenda while at the same time, broadening their understanding of international policies, diplomacy and the need for harmonious co-existence.

The total expense for the program will be approximately ₹35,000/- including Registration Fees, Airfare, Hotel stay, Food, One day Lucknow Tour etc. The expenses should be borne by the student. If the expenses are higher, it will be intimated and if it is less, that will be refunded. All students have to be in formal attire for the programme and therefore will have to get a pair of suit stitched as per the uniform code of our students.

Those students who are interested and would like to be part of LMUN at Lucknow can register their names with Ms. Vidya Rajesh 8606336185 (HOD Languages)/Mr. Benedict Renson P J 9746800337 (HOD Social Science & Commerce) on or before 17th October, 2022. We can accommodate only 14 students and it will strictly be on first come first served basis.

Warm regards
