

TVIS/Activities/2022-23/039

03/11/2022

Dear proud parents of the Village family,

In order to instil good saving habits in your child and to inculcate the art of growing money, the Village International School is initiating a programme with South Indian Bank Ltd. to open a zero-balance savings bank account for each child in the school. It will make them financially prudent and will also help them to apply the knowledge in their working lives to compound wealth later. So, we expect maximum cooperation and willingness from the parents to secure the future of our children.

South Indian Bank Ltd. has shown their willingness to conduct this program for TVIS students. They have asked us to inform that the student's parent must open their individual Silver Savings bank account with South Indian Bank Ltd with a minimum balance of Rs.5000/ for opening their child's savings bank account as Junior Account. The parent who is not a customer of SIB at present may open an INSTA account through the following links.

<https://videokyc.southindianbank.com/insta/customer>

<https://www.southindianbank.com/content/personal-banking/sib-insta/3784>

Once you open the account, kindly furnish the following documents of the parent to check for their CIF Id with SIB

- Aadhar
- PAN
- Mobile Number

Those parents who are interested to open a bank account for their kids can give their names to **Ms. Chikku Kuriakose on or before 08th November 2022**. Kindly furnish the following documents of the child.

- Aadhar card copy
- Birth certificate copy
- Two Passport size photographs

Warm regards

Zacharias Jacob

Principal
