

What is MY CLASS CAMPUS? How do I sign up/register my account on it?

**MY CLASS CAMPUS** is a user-friendly mobile application for Parents which is available on both App store (iOS) and Play store (Android). It is used as an online student information software for accessing report cards and used for fee payment through payment gateway services (refer to CIRCULAR 1). All your fee related information such as payment receipts, fee due amounts along with marksheet/report cards can be accessed on this application.

**For existing students:** Your existing login IDs and passwords in MyClass Campus application will be carried over to the new academic year 2022-23 as well.

**For new admissions:** Please follow the below given instructions to join and register your account:

**INSTRUCTIONS FOR SIGNING UP ON MY CLASS CAMPUS APPLICATION:**

- Step 1: Download My Class Campus on your mobile device from Play Store (Android) OR App Store (iOS/iPhone)
- Step 2: Open the app and click on Join Now.
- Step 3: Enter your Registered Mobile Number that you had given while filling out the admission form.
- Step 4: Create your Password and enter the City as Thodupuzha and click on Register.
- Step 5: Enter the OTP which was sent to you on our registered mobile number.
- Step 6: You have successfully signed up/registered your account on MY CLASS CAMPUS application.

Kindly note that you need to have an Indian Mobile Number (+91) to register your account. If you do not possess an Indian Phone Number or if you do not remember your registered phone number or if you wish to seek any further assistance with regard to signing up/registering your account or how to use the app, contact our IT Helpdesk Staff, **Mr. Praveen Pavithran** on **(+91) 9633898976**. Please keep updating the app so that you have the latest version installed for receiving the messages without interruptions or other errors. Thank you.
