PRIMARY SCHOOL

Grades I to V

The Primary Years Program (PYP) is designed to equip the students for a successful life, focusing on essential elements such as knowledge, concepts, skills, attitudes and action. A **concept-based** and an **application-oriented** teaching methodology is implemented to develop independent, confident and committed students.

Our Integrated primary school curriculum prepares students for:

- Collaborative working
- An in-depth understanding of concepts
- Being an active participant in the learning process
- Sharing perspectives with other students
- Developing a strong set of problem solving skills
- Becoming internationally minded students
- Having a voice and ownership of learning

MIDDLE SCHOOL

Grades VI to VIII

The Middle School curriculum focuses on a subject-based curriculum using meaningful and rich assignments for accentuating learning experience. This phase continues with the international teaching practices that are **child-centric** and **activity-based** and it is an **integrated curriculum** that prepares the students to meet the requirements of the Indian CBSE Board. Academic achievement and social interaction are all goals of middle school students.

The Primary & Middle School time-tables accommodate a whole range of co-curricular activities in the field of arts, music, sports, swimming and several other clubs.

SENIOR SCHOOL

Grades IX & X

The Senior School at The Village follows the curriculum of **CBSE** Board which grooms students towards completion of their secondary education and prepares them for the challenges ahead. With 100% pass rates, the school has adopted a blended teaching methodology that is both **subject-oriented** and **activity-based** through **experiential learning**.

Assessments are done to focus on remediation of learning gaps and includes Monthly tests, Continuous Performance Evaluation (CPE), Term exams and Model examinations.

Evaluations in Grade 9 and 10 follow Uniform Assessment pattern as prescribed by CBSE.

Eminent speakers and guests from a variety of fields are invited to the school to engage with students to offer a diverse range of perspectives and expertise. These interactions include lectures, workshops, panel discussions and even hands-on activities which provides students with real-world insights, inspires them and helps them connect what they learn in the classroom to practical applications. Such interactions can also broaden their horizons and encourage them to pursue their passions and goals.

CAREER COUNSELLING & UNIVERSITY PLACEMENTS

Our students benefit from comprehensive higher education counseling that offers personalized guidance for admissions to universities within India and around the globe.

This guidance program includes various components such as interactive sessions with University Admissions officers, engagement with experts, alumni interactions, and personalized counseling. Such initiatives play a crucial role in helping students make informed decisions about their future.

BOISE STATE UNIVERSITY

PARENT TESTIMONIALS

“

I was seeking for a home away from home while looking for a boarding school for my daughter to Grade 8. Fortunately, The Village International school is where I landed up. Beyond academics, the school places a significant focus on extracurricular activities, arts, and sports. This ensures that students receive a well-rounded education and can explore their talents and interests. The entire TVIS crew is accessible and always on call, which is amazing. The school has been transformed into a true "Nurtury" by all the teachers, support personnel, hostel wardens and the management.

Dr. Aiswarya Jayaram

Senior Medical Officer
Sanjeevanam Ayurveda Hospital

“

The Village International School's commitment to development has had a profound impact on our children's lives. The dedication of the teachers along with the wide range of opportunities of the supportive community has transformed our children into well rounded and compassionate individuals. We are forever grateful for the nurturing environment the school provides the students. A heartfelt thanks to everyone at Team Village!

Mr. Nishad P M

CEO
Select 'n' Drive Used Trucks

“

As a parent, it has been a delightful experience sending our children to TVIS. We chose this school with an expectation to give them the best possible education as well as an exposure to extra curricular activities. Over the years we have seen them mature into a capable young men. The credit for their honesty, down to earth personality and overall development goes to the teachers and the wonderful set of friends that they made at TVIS.

Mr. Paul Thadikaran

Managing Director
Q7 Group of Companies
